All plant material is inspected prior to shipment and is in good condition. when accepted by the respective transportation company												
All plant material should be inspected upon arrival. Any problems with the condition of the plant material												
must be reported. Claims must be made within 48 hours to the carrier after receipt of goods. If a shipment is damaged on arrival,												
secure proper notation on the freight bill and file a claim with the carrier. Also, take pictures as appropriate to document the claim												
In the event that any stock is proven to be untrue to its name as labeled, our liability is limited to replacing the material free-of-charge												
or refunding the purchase price. We will not be liable for more than the actual purchase price of the plant material.
